1. Captain must FIRST obtain home court approval directly from desired facility PRIOR to registering a team on TL. Teams without facility approval will be re-assigned.
2. Captain must make sure that contact information is correct on their TL account. This information will be published in the Captain's Report, which is where opposing captains and LLC will find your phone # and email address.
3. Captain must name and register their team on TL using the following format (established by USTA National in 2022):  
**Team name format:** CTL and age division/Captain's last name/Facility code For example: **CTL65/Jones/PK** (See list of facility codes on page 3.)
4. Captain must ensure that a minimum of 6 eligible players have registered by June 21 at 11:59PM. (*Extensions may be considered in extenuating circumstances, but LLC must be contacted within 24 hours of registration deadline for any consideration.*)

**ADDITIONAL PLAYERS:** After the schedules are published, the TL registration portal will be re-opened, and additional players may register for existing teams. The deadline to add players to the roster for teams playing a local season is August 24.

**REGISTRATION FEES:** Fees for 2026 CTL Combo Doubles will be \$26.15, which includes \$23 for registration and a \$3.15 TennisLink fee. Once a player has registered for a team, there will be NO REFUNDS, but a credit could be given for a future league registration. **The team Captain will continue to receive a complimentary registration fee (\$23)** and will only have to pay the \$3.15 TennisLink fee. USTA memberships must be current through the end of the local season for players to be eligible to register.

**COURT FEES:** Captains are required to pay court fees directly to the facility where they are playing. Check with the facility to inquire about the cost of court fees. **Both public and private facilities must give approval for home courts before teams are registered in TennisLink.**

**COUNTY AND CITY PARKS and PAYMENT OF TEAM COURT FEES:**

- Do NOT register your team on TennisLink until AFTER you obtain approval for home courts! Each facility maintains a master list of teams that are approved for home courts. Courts are limited and home teams are approved on a first-come/first- served basis. If your team is not on the approved list, your captain will be contacted; and you may have to find alternate courts as home courts. **Pay your team fee for courts promptly! Your team fee covers court costs for all home matches and make-up matches at county and city parks.** The team captain must pay this fee directly to the facility for the total amount. Failure to pay the team fee will result in your team being denied courts.
